OUTLOOK 2021 REPORT

- **Our Polaris Side by Side Ticket Promotion is off to a great start, the $50.00 ticket demand is evident and should be a sellout.**
- **Festival of Trees project is still a question mark, however a virtue version is planned to replace it. The Christmas Magic Show is planned at this moment and/or a replacement promotion will be available if needed.**
- **The 2022 Calendar Project currently is being completed by our Office Administrator Brandy Dempster who develops the Computer Blueprint from her resources on this project and works closely with our Fundraising committee. Thanks to Brandy!**

Any promotions that include people, still is uncertain due to Covid-19.

Your Fund Raising Committee is alive and well and meets each month via ZOOM and continues to work well into the 2022 year end .

Thanks……..Gord Thorne
