

CHARLOTTE COUNTY SHRINE CLUB

Greeting Nobles from the Charlotte County Shrine Club. On behalf of The Charlotte County Shrine Club, please accept our congratulations to Ill. Sir Brian Biggins and his Divan being elected to lead Luxor Shriners during 2020. Charlotte County Shrine Club has approximately 60 members and is currently celebrating 53 years of operation. We anticipate we will contribute a minimum of 2 new members to Luxor at the June Ceremonial in Saint John.

At our January meeting we installed our new officers into their elected positions with Ill. Sir Danny Bird as President. Ill. Sir and immediate past President Danny Bird was the installing officer. Our Treasurer is now Nobler Ross McLeod who graciously replaced Noble Bob Dougherty who performed these duties for 24 years. Thank You Bob – Most Appreciated. Noble Robert Dougherty has taken a second Vice President position and Noble Gary Taylor has accepted the First Vice Position. Thank you Nobles. The Club is currently in the process of obtaining a wheelchair swing for a St. Stephen playground. We have also changed our meeting nights to the third Tuesday of those months that we meet and we hope to re-activate our rotation of meeting in St. George during 2020. We had a great turnout for our Ladies Night in December and once again our Club did a great job selling Luxor Cash Calendars.

Recently Ill. Sir Danny Bird represented our Club at the Clubs and Units Workshop in Fredericton.

All the best with your activities in 2020.

YITF
Noble Dan McVay
President
