

LUXOR CLASSIC WHEELS UNIT

We are one of the youngest Luxor Units, having been formed for not quite 10 years yet. Our formation came about after discussions with the Potentate of the Day who was having a problem recruiting some vehicles to assist with transporting Visiting Potentates, Dignitaries, or just elderly Nobles in Luxor Parades, or community parades we were invited to.... As all vehicles belonging to Nobles who drive them on a regular basis, must be licensed, inspected, and insured in New Brunswick, they can be at the disposal of the Potentate for designated events involving Luxor.

All vehicles in the unit must be "special" in nature....if "new" usually a convertible, often an antique, and sometimes just unique or different! A Noble joining the Classic Wheels Unit receives two vehicle signs and a burgundy vest/uniform to wear while parading....and of course the Fez is worn in full view of spectators. A one-time fee of \$50 is paid to cover the cost of the signs and vest, but after that there are no annual dues, very few meetings, and only a "Director/Coordinator" on the Executive. As many of the Mini Kar Nobles also have "classic vehicles", we co-meet for meetings etc at the same times.... Our Annual Meeting was in the fall in conjunction with the Mini Kar Unit, and Noble Wood was reinstalled as the Director for 2020.

While not as busy as we would like to be, we attend events whenever asked....and not always just by the current Potentate. We are usually available whenever any Shrine or Masonic body needs a parade vehicle.... it gives a real purpose to owning and driving your special car or truck! We seem to always have about 10 members, but would appreciate any other Nobles who would like to join us. If you would like to have more information on our Unit, where we can parade, or how to have one or two of us attend your event, feel free to contact me at "rickewood9@gmail.com". Hope to see you on the road in 2020...smile, wave, and give us a "tip of the Fez"!!!!

YITF

Noble Richard Wood

Classic Wheels Unit Director
