

MONCTON SHRINE CLUB

The MSC had a successful year with the things we were able to accomplish. We had a well thought out plan for each month as to what we wanted to accomplish during the meetings. The club wanted to have at least three ladies nights with two at restaurants and hoped to have one at the club with a light lunch. We had speakers at some of our meetings as well as spirited discussions. Most nights we had about 23 in attendance not counting the ladies.

We had our very successful raising of the Shriner's flag at the four municipalities of Moncton, Dieppe, Riverview and Sackville. Most Mayors or Deputy Mayors were in attendance. I believe the mayors were impressed with the turnout of Shriners. We even went to a member's house to help him raise his flag that he acquired.

We also attended the Remembrance Day wreath laying at the Moncton Coliseum.

One of the events we helped sell tickets for was the Country Music Legends on Tour which was well attended.

The MSC also hosted a magic show for the children, which was accompanied by lots of clapping and cheering children.

The December meeting was a ladies night out at the Lutz Mtn. Meeting House.

All said and done it was a good year.
