

Provost Unit.

The Luxor Provost Unit has the following officers in place for 2020.

President: Noble Danny Sooley

Sect/Treasurer: Noble Harold Crabbe

The Provost Unit lost one of its original Nobles early this year. Noble Oliver Monteith. Noble Monteith was ninety four. I visited with Noble Oliver in November of 2019. He was living at home; his wife passed the previous year; looking after himself, with family members close by. I so enjoyed his stories about our area, his many friends, family and the businesses that he owned and operated. He was a wealth of history, and one of the most positive people you would encounter.

It is with his spirit and dedication that we must continue to move forward with our Unit. It goes without saying that we are struggling to fill the seats of our carts, but carry on we will.

We look forward to doing our part for our Shrine children and enjoying our fellow Nobles.
