

Railway Unit

We once again say a great big thank you to Brother Frank and Lady Hazel McKinnon for maintenance and storage of this large unit.

A big thank you to Jim Shillington for providing the truck to haul the unit as well as Barry Mabey. Thank you to the members who help paint the interior of the unit trailer and many other things that need to be done to keep this unit looking very good.

Thanks to the members who help with fundraisers such as the Festival of Trees, selling of 50/50 tickets at the hockey games, and tickets for our annual Fezeroo draw, and many other activities.

Again a very special thank you to "The Dobson Group" for their continued generous support of our Railway Unit.

We lost one member this year due to the death of Noble Michael Kilpatrick, may he rest in peace.

We attended the following parades in 2019:

St Martins Old Home Week

St Stephen/Calais

Charlottetown – Kensington PEI

Leisure Time sales RV center customer appreciation day

Fog Days Black Harbour

YITF

Bob Mchugh
