

WEBSITE UPDATE

Greetings to all Nobles and hoping that this finds you and your family in good health.

As you may or may not have been aware we have been working on our website so as to make it more user- friendly, as with the discontinuance of the Luminary the site will now become our primary mode of keeping you abreast of what's going on. Brandy had previously sent an email explaining the above changes and as you can see the Divan, Committee Chairmen, Clubs, and Units are now able to have their info posted. The procedure will be similar to our Grand Lodge website, articles, pictures, etc. are to be forwarded to the Shrine office and Brandy will see that they are posted.

The changes made have been effort to simplify the procedure and we would appreciate any feedback that would help in attaining that goal.

On another note you will notice that the "**Booster Club**" is now listed on the website and I thank you for continued support and as you all know monies from this fund are delegated to our Bathurst Clinic projects and transportation of Children.

Yours in the Faith
